

Arlington House Apartments

24 Arlington Street, London SW1A 1RL

Arlington House offers a good selection of studio, one, two and three bedroom apartments for short and long stays. There are two views, street view, and garden view. This is reflected in the rate as the street view apartments are a little less, even though this is a cul-de-sac with no through traffic.

Interconnecting options are available, so could be ideal for a large family. The accommodation can be booked accordingly. Whether business or pleasure, guests are sure to enjoy the luxurious home from home experience provided by the contemporary, stylish and very functional apartments. All of the kitchens are fully fitted and include fridge/freezer, washer/dryer, oven and hob. Furthermore, all utensils, crockery, cutlery and glassware are supplied as standard.

Additional services and features of Arlington House to further ensure a wonderful stay include air conditioning, housekeeping services (Monday to Friday), cots and touch panel lighting as the normal. Chargeable services include secure underground car park, babysitting services and extra beds.
